Solution Which is Already Trusted by 700+ Schools

We are not selling a software rather a service which doesn't exist without customer satisfaction, hence if we don't implement and deliver a world class service which always improve like any other IT/ Mobile service, we won't exist, we know it better and aligned all the necessary teams and services for the same. Our Private Servers with SSD Storage are hosted in New Delhi (Over the 1st Indian Datacenter with BS 7799-2:2002 Certification for Information Security) and DR in Techno park Trivandrum – We relay on a corporate communication provider based out of Coimbatore for SMS & VOICE with a Backup setup in Hyderabad. All the backend services are secured with necessary service agreements to ensure our data is not available in any manner outside. We use the necessary encryptions and access security methods to ensure the maximum security for the hosted data.

We realize the potential of the market and proud to offer a valuable solution which can use as a tool to encourage, in bringing out better citizens for the Nation. Our strong focus to empower the Rural Educational Institutions with apt technology is getting widely appreciated and accepted, See some of the valuable feedbacks.

What people are saying!

“ Happy to adopt SIPSNITYA as the first of this kind of service in our region. We found it very useful to communicate with parents, there were lot of good appreciations from our parents, as we could collaboratively ensure the security of the child - if the child is absent the automatic alert from school making parent vigilant and they post the leave remarks immediately if they haven't done it before, also we could experience better involvement of parent for projects / assignments etc.

B M SARASWATHI, MA MED
Principal - General Thimayya Public School
Madikeri

“ Our School is equipped with SIPSNITYA, This help the parent to learn the progress of their child at school. We use it for daily attendance, result publishing and the common important messages from school, Announcing the surprise holiday's, update regarding school functions etc. are become very convenient now. It is simplified our huge academic tasks of handling exams along with Customization ready Mark Cards with Analysis and quick referable Class Sheets & Performance analysis helps us a lot

FR. GEO KALLADANTHIYIL SDB
Principal - DON BOSCO HSS MANNUTHI,
Thrissur

“ Being a part of Rural Education I personally found this service is very helpful for the schools like us. Received a great appreciation from our parents, even though some of them were not able to understand the SMS which was in English, They took the help of others and understand what is the message, appreciating your efforts !!! it is not only helping school but also encourage our parents to learn. We are very much happy to extend this service to our other school from next academic year

MR. SHYAM PRASAD
Secretary - KB Mahesh's KJB School,
Kishnarajapet , Mandya Dist. Karnataka

“ On Behalf of the Management, We would like to extend our appreciation to SIPSS GLOBAL INDIA PVT. LTD. team for the efficient services to our school, It is very easy to communiatue with parents, staff members and management.Now our school parents taking more interest on their child progress, So attendance and academic performance is also improving thanks for the good support, we would like to really commend the prompt support rendered by Ms. Rasmitha Remote Support Engineer.

K S MAHESHA
Head Master - Nanjungud Lions High School,
Hullahalli Road

“ It is really happy to witness the new service from our school, important information is reaching to my mobile now. I had one concern while discussing with other parents that message could have been in Kannada – our regional language during initial days, but now even that is available with Voice Call feature it is really helping us to learn about student progress, Exam time table, assignment detail etc are reaching over SMS to us, It is very useful for the region like us, we are very much informed advance in terms of immediate holidays etc. Saw the Advance Parent portal we need to upgrade our self to use it.
